

SERAY 14 HOUSES

A PROJECT BY SERAY DEVELOPMENTS

<<We work hard to house your dreams>>

THE PROJECT

- SERAY DEVELOPMENTS proudly presents its new project , located in one of the most upscale areas of Krasas in the District of Larnaca.
- The two elegant and contemporary houses are designed to insure comfort and functionality, with three bedrooms each.
- The project fulfills the energy efficiency requiremnets, provides high quality materials and meets the highest construction standards

MAJOR BENEFITS

- MODERN AND FUNCTIONAL DESIGN
- EXCLUSIVE RESIDENTIAL AREA
- ALL AMENITIES WITHIN EASY REACH
- HIGH STANDARD FINISHINGS
- HIGH QUALITY MATERIALS

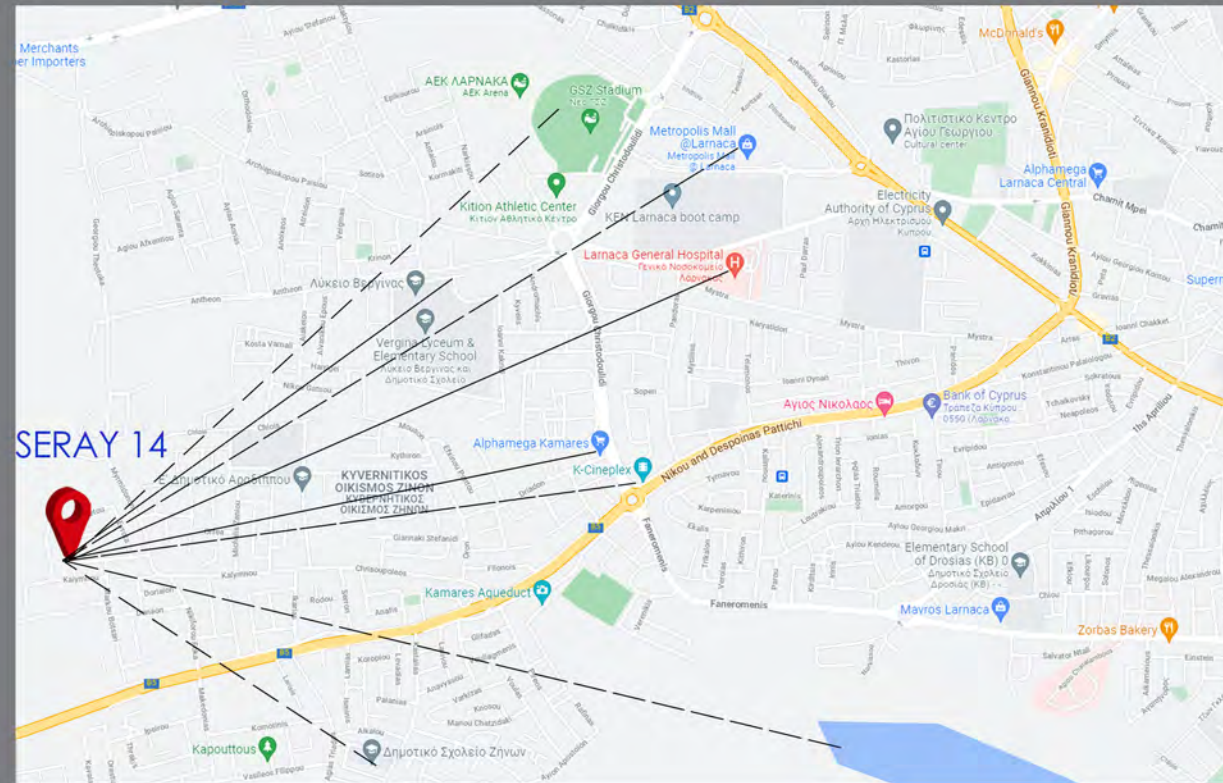

LOCATION

SERAY 14 houses are located in the tranquil suburban area known as Krasas in the District of Larnaca,

The project has been designed according to the highest construction standards combining the contemporary architecture with functionality.

The Krasas area provides all the necessary amenities within close range such as schools, supermarkets, sport centers, the mall as well as medical facilities which make the project the ideal choice of residence.

Additionally, the location is approximately an eight minute drive from the International Airport of Larnaca, the new Metropolis Mall as well as the town center, the beaches of Finikoudes and the Mackenzie area.

- Great Locations
- Innovative Design
- Quality Workmanship
- Value for Money
